There is no change in the nature of business of the company during the year. There are material changes and commitments in the business operations of the company since the close of the financial year on 31st March 2022 to the date of this report as detailed below:

1. The outbreak of COVID19 PANDEMIC and the resulting lockdown enforced from 23rd March, 2020 has continue to affect company's operations substantially since the Wedding Cards Industry has almost been totally affected due to restrictions on the celebration of marriages and other social functions with permitted limited/minimum number of people which has resulted in substantial reduction in sale of invitation cards and related items. Further only limited operations were running during the lock down period to cater the business in essential services after taking appropriate permissions and ensuring safety of the workers. This report contains statements that the Company's beliefs may be considered to be “Forward Looking Statements” that describe our objectives, plans and goals. All these forward looking statements are subject to certain risks and uncertainties, including, but not limited to, Government action, local, political or economic developments, changes in legislation, technology risks, risk inherent in the Company's growth strategy, dependence on certain suppliers and other factors that could cause our actual results to differ materially from those contemplated by the relevant forward looking statements. The forward looking statements included in this report are made only as on the date of this report and we undertake no obligation to public.

World Economic Conditions

The world wide outbreak of COVID-19 and its severe spread has continued to affect almost all the industries. The Pandemic COVID-19 has changed both personal and social ways of interactions and changed the techniques of professional working. The Pandemic first wave in financial year 2020-21 and the second wave in early financial year 2021-22 have created very worst social and economic conditions. The Governments, both Centre and State are allocating substantial funds to safeguard the citizens. The economy all over the world is still suffering from considerably weaker demand for goods and services, including various social functions.

Uncertainties and risks

The COVID-19 pandemic has continued to create a big strain on the world-wide workforce of many sectors. Restrictions in gathering large number of people and the high rate of unemployment caused by the crisis is expected to continue to keep the revival slow.

Indian Economic Conditions

India has faced serious economic problems due to the impact of COVID-19 pandemic and its subsequent Phases.

The overall economic development of India has resulted in substantial improvement in terms of employment and revenue growth. But the wedding card sector is expected slow improvement based on the improvement in people's movements.

Both the Central and State Governments took several monetary measures to support vulnerable firms and households by way of increased spending on health and social protection to tackle the economic problems created by the pandemic COVID-19. The Government announced various schemes particularly for MSME's which includes additional credit facilities, increasing the scope of Companies eligible for registration under MSME, etc. to tackle the impact of COVID-19. By these proactive measures, the economy is expected to improve in Financial Year 2022-23.

Wedding and Greeting Cards

The Wedding and Greeting Cards business still continue to suffer with severe blow on people including younger generation who are ready to marry and connected businesses due to the severe impact of the various phases of COVID-19 pandemic. The Wedding Cards and Greeting Cards industry to which your company belong still impacted significantly.

As per the latest round of FICCI's Economic Outlook Survey puts forth an annual median GDP growth forecast for 2022-23 at 7.4% - with a minimum and maximum growth estimate of 6.0 % and 7.8% respectively. However, it may be noted that downside risks to growth remain escalated. The threat from the Pandemic remains in force. The survey showed “the overall situation remains volatile and outlook is uncertain with risks amplified to the downside.

Strengths and Opportunities:

Your Company is in the business of providing Wedding Cards and Greetings Cards for more than five decades with a strong name in the minds of the public especially in the city of Chennai. The Company's vast experience in the industry provides the opportunity to serve customers in the long run. The Company is also providing its services through online techniques/consultations also.

Weakness and Threats:

Though your Company is following all the protocols given by the Central/State Government to ensure safety of the customers , it may take a long time for the Company to bring its operating capacity back to pre-Covid levels. The employees are provided with masks, Kabasura kudineer which involves high cost. Hence the Company has decided to cut cost wherever possible, increase the realization from certain activities to stay profitable. There is always a high risk that any unexpected incidents like the pandemic which we are facing now may lead to further down in the performance of your company.

Product-wise Performance:

The Wedding Cards sales were ₹ 343.37 Lakhs (50%) of the total turnover) during the year under review. The contribution of Greeting Cards sales to the total turnover stands at ₹ 68.67 Lakhs (9.96% of the total turnover) during the year under review.

There was a gross income of ₹ 904.87 Lakhs during the year under review (previous year ₹ 1057.58 Lakhs). The depreciation for the year under review amounted to ₹ 178.78 Lakhs as against ₹ 231.28 Lakhs in the corresponding period of the previous year. There was a loss of ₹ 565.83 Lakhs (Before Tax) during the year under review as against a loss of ₹ 612.08 Lakhs (Before Tax) during the previous year. Similarly there was a loss of ₹ 558.80 Lakhs (After Tax) during the year under review as against a loss of ₹ 556.95 Lakhs (After Tax) during the previous year.

The upcoming financial year 2022-23 will be challenging on the back of lockdown enforced in India and other countries to contain the spread of Covid-19 pandemic. The Company during the lockdown period was forced to operate at a lower level. Now the restrictions being gradually relaxed it will take some months to pick up the operations subject to gradual disappearance of COVID19.

Given the uncertain business environment Company is working on various cost cutting exercises. The performance is expected to pick up in the coming months based on COVID situations.

Financial Performance

The Financial and Operational performance of the Company are on a weak trend and details of the same are mentioned in the Financial Statements as well as Board report.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has in place adequate internal control systems combined with delegation of powers. The control system is also supported by internal audits and management reviews with documented policies and procedures.

FINANCIAL PERFORMANCE & OPERATIONAL PERFORMANCE

There was a gross income of ₹ 904.87 Lakhs during the year under review (previous year ₹ 1057.58 Lakhs). The depreciation for the year under review amounted to ₹ 178.78 Lakhs as against ₹ 231.28 Lakhs in the corresponding period of the previous year. There was a loss of ₹ 565.83 Lakhs (Before Tax) during the year under review as against a loss of ₹ 612.08 Lakhs (Before Tax) during the previous year. Similarly there was a loss of ₹ 558.80 Lakhs (After Tax) during the year under review as against a loss of ₹ 556.95 Lakhs (After Tax) during the previous year. The main reasons for the loss are given elsewhere in the report.

The main objective of the company's risk management policy is to ensure the effective identification and reporting of risk exposures, involvement of all departments and employees in risk management, to ensure continuous growth of business and protect all the stakeholders of the Company.

The Audit Committee and Board of Directors consider the risk exposure before approving strategic decisions taken by the Company. Further the Company has strong internal control system in place to identify that risks at any stage of the business. This internal control system is further reviewed by the internal auditors of the Company and a report is submitted to the Audit Committee. The Committee based on the report of internal auditors advises on the necessary action to be taken in case of any deviation from required standards.

EXPLANATION FOR THE SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS:

Gross Income was ₹ 904.86 Lakhs during the year under review compared to previous year- ₹ 1057.58 Lakhs showing a reduction of 68.17%. Loss (Before Tax) was ₹ 565.83 Lakhs during the year under review as against a loss (Before Tax) of ₹ 612.08 Lakhs during the previous year. Similarly there was a loss of ₹ 558.80 Lakhs (After Tax) during the year under review as against a loss of ₹ 556.95 Lakhs (After Tax) during the previous year. Due to lockdown announced by Government from the month of March, 2020 and subsequent partial lock downs on various occasions and the curtailment of various marriage and other social gatherings, the overall market in the wedding industry has come down drastically. These are the main reasons for the drastic down trend in sales and consequential heavy loss.

Employee welfare was strengthened with a view to provide the employee the best working atmosphere. There is cordial relationship between management and employees at all levels. The number of employees as on 31st March, 2022 is 44.

INDEPENDENT AUDITOR'S REPORT

To the Members of

M/s. OLYMPIC CARDS LIMITED
Chennai.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **OLYMPIC CARDS LIMITED** (“the company”), which comprises the standalone balance sheet as at 31 March 2022 and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Revenue from the sale of Goods (hereinafter referred to as "Revenue") is recognised when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer, which is mainly upon delivery.</p> <p>The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred.</p> <p>Refer Note 1 to the Standalone Financial Statements - Significant Accounting Policies</p>	<p>In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <ul style="list-style-type: none"> A. Obtaining an understanding of and assessing the design, implementation and operating effectiveness of management's key internal controls relating to the recognition of revenue, including those related to the reconciliation of sales records to cash / credit card / online receipts, preparation, posting and approval of manual journal entries relating to revenue recognition. B. Testing the accuracy of retail revenue recorded during the year by examining that the sale of goods transactions are in agreement with the cash / credit card / online receipts and deposit of cash amounts recorded in daily cash reports with bank remittances, on sample basis. C. Obtaining reconciliation of sales as per books of account with the sales as per Indirect tax records and inquire about reasons for differences, if any.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of Assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to the Independent Auditor's Report on standalone financial statements of **OLYMPIC CARDS LIMITED** for the year ended 31 March 2022

OLYMPIC CARDS LIMITED for the year ended 31 March 2022

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 1(A) (g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of OLYMPIC CARDS LIMITED (“the Company”) as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included, obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
